# ABOUT THE PRESENTER

**THERESA O'LEARY NZRN,  
EAR NURSE CONSULTANT**

Theresa O'Leary NZRN, looked into her first ear in 1987!

In 2001 she opened TOLBECS Ear Centre, a nurse-led clinic where folk of all ages come for real help with their ears. Theresa is passionate about ears and loves passing on information in a clear and concise way.

She has a very practical, common sense approach and she would love to teach you all she knows.

## TESTIMONIALS

**"Best ear course - wish we had this at university..."**

- Katie Plank,  
Registered Nurse, Health New Lynn, NZ

**"This has been the most practical course!"**

- Annette Smith,  
Nurse, Deadly Ears Programme, AU

**"Full, current, in depth and interesting. So much reviewed and great tips to take into any practice."**

- Janette Groot,  
School Nurse, McAuley High School, NZ

**"It was so worthwhile I would advise all my colleagues to do this course. It is elementary to good practice and prevention in Primary Health."**

-Barbara Davis,  
Registered Nurse, Peninsula Medical Centre, NZ

**"Fantastic, could have listened for another whole day. Every health professional should do this course."**

- Tania O'Driscoll  
Emergency Dept, Wellington Hospital, NZ

## COURSE PROGRAMME

At the end of the day, once the course has concluded, each participant will receive an EARSmadeEasy certificate acknowledging their participation in the course and the six learning hours accumulated for professional portfolios.

If your area has not been listed on our current schedule but you would like to have Theresa come and host a course in your location please email [eme@tolbecs.co.nz](mailto:eme@tolbecs.co.nz) to express your interest. Additional courses will be considered, depending on the volume of participants, but not guaranteed.
