

CALL FOR PAPERS AND POSTERS

The NZ Occupational Health Nurses' Association welcomes abstracts for the 2019 NZOHNA Conference to be held from 18-20th September 2019 at Forum North, Whangarei.

The theme for the conference is "The Tōtara of the Workplace". The Tōtara tree is symbolic of a great chief, it is also a tree that grows for a hundred years. This year's conference recognises the long term commitment of occupational health nurses throughout the decades and includes a cultural component recognising that many of our workers include Maori and Pacific Islanders. The conference committee are seeking concurrent session presenters to compliment the theme.

display panels provided are 1m in diameter so we would suggest a portrait page orientation for posters. Laptop computers and visual display devises may be used if the presenter provides them.

All selected posters will be displayed on the concourse at Forum North.

SUBMISSION OF ABSTRACTS

Abstracts for papers or posters are to be no more than 300 (2100 characters) words on an issue fitting to the industry which compliments the conference theme, reports the results of completed research or describes research in progress.

Abstracts must be submitted by 25 April 2019. All abstracts are to be emailed to the lead organiser. Authors will be notified of acceptance on 31 April 2019, and completed papers will be due by 31 July 2019.

On acceptance authors are expected to register for the conference. Registration on the day of the presentation will be complimentary, however registration fees will be payable if attending on other days.

SELECTION CRITERIA

The conference organising committee will evaluate the content of abstracts for relevance to the conference theme, clarity, originality and timeliness.
