

Occupational Health Nurse Position

As a market leading Occupational Health Practice, here at WOHC our vision is to provide *Superior Quality Care* to all clients and their employees. We have a passion for helping people in the workplace to improve and maintain their fitness for work and stay healthy and well.

To meet demands of a growing business, the opportunity has come available for a permanent part-time Occupational Health Nurse (OHN) role based in the Bay of Plenty area. This will be 3 days a week (24 hrs) with potential to grow to 5 as the business demands grow. Some travel will be required at times to Eastern Bay of Plenty towns and Waikato areas.

The role would suit an energetic Registered Nurse who is enthusiastic about learning and developing new skills, have confidence to work independently, be a quick learner and would like to pursue a career in Occupational Health Nursing.

Experience in Occupational Health Nursing is preferred but not essential as training will be provided. Previous community health, practice nursing is desirable.

Scope of work will include but is not limited to Pre-employment health assessments, Health monitoring and Drug and alcohol testing, Vaccinations/Phlebotomy, Toolbox Presentations and Training.

The right person for this role will need to:

- have excellent people skills, particularly professional relationship management skills
- have good written and oral communication
- be keen to learn and adapt to new situations
- hold a current Practising Certificate
- have a current driver's license and a clean driving record
- be physically fit
- have sound computer skills
- have the skills to work independently and also work as a member of a team
- have some previous clinical experience post-graduation
